To the far right of the top left picture of the villa there is an internal wall around the pool protecting small children from wandering into the garden with its selection of cactus and other canarian plants. To the rear of the gardens in the picture (far right), you will find a semi-enclosed al-fresco dining area with

table and chairs, making the outside of the villa ideal for outside dining under the evening sun and of course you can always have a BBQ if the mood takes you.

There are sun Loungers around the pool and further seating beneath the shaded pergola area. The attention to detail in this villa cannot be missed and there is even an outside shower to the side of the pool to cool off on those really hot days.

Moving inside the villa, through the French doors beneath the pergola, we find the lounge (left), with twin sofas, and matching coffee, side tables & cabinets, finished off with plants and a ceiling fan to keep you cool in the heat of the day/night.

Entertainment comes in the form of satellite TV, DVD and a CD/Radio.

The Kitchen (right) has good sized work surfaces and is fully fitted with Oven, Hob, Microwave, Dishwasher, Fridge/freezer etc. A washing machine, Iron & Ironing Board can be found in an adjacent utility area.
